OFFICE OF PETITIONS

DECISION ON PETITION

This is in response to the "Request for Corrected Filing Receipt", filed September 4, 2001, which is properly being treated as a petition under 37 CFR \$1.10, requesting that the above-identified application be accorded a filing date of April 26, 2001.

The petition is **DISMISSED**.

The application was filed on April 25, 2001. On June 19, 2001, a "Notice to File Missing Parts of Provisional Application" (Notice) was mailed, which indicated that an executed oath or declaration in compliance with 37 CFR \$1.63, and a late filing fee or oath or declaration surcharge were required.

Petitioner has submitted a request that the filling date be changed to April 26, 2001.

Petitioner's request is dismissed, as petitioner has failed to set forth any persuasive arguments. A review of the official file reveals that the abstract, claims, specification, and the transmittal sheet were each date

stamped "April 25, 2001". Furthermore, the petitioner has failed to submit either a postcard receipt, showing that the items were received on April 26, 2001, or an Express Mail mailing label showing a "date in" of April 26, 2001.

The application is being submitted to the Office of Initial Patent Examination for further processing with a filing date of April 25, 2001.

Receipt of the executed declaration, assignment documents, recordation fee, and the one-month extension of time are acknowledged.

Telephone inquiries regarding this decision should be directed to Petitions Attorney Paul Shanoski at (703) 305-0011.
